Full details of the meeting are available on the IUAA website, [www.iuaa.org](http://www.iuaa.org). All delegates are strongly advised to read the reports prior to attending the meeting.

This year following Mediation there will be a motion to make changes to Clause 4 of the Constitution to facilitate the membership of the recently formed Technological Universities. This motion permits more than one Athletic Club within a Member University/College/Institute. In addition all Members can list their Athletic Club on Appendix 1 under their University/College/institute name. Full details can be found in the 'Motions' document on the IUAA website.

There is also a motion from UCD to introduce a 4x400m Mixed relay into both the Indoor and Outdoor T&F.

Members are reminded that voting delegates must be members of the Athletic Club. As the Athletic Clubs are student Athletic Clubs we strongly encourage students to attend the AGM.

Can I encourage all members to make sure that they are represented at the AGM.

I look forward to talking to you at the AGM and if you have any questions prior to then please don't hesitate to contact me.

Yours in Sport,

---
